

# GET REAL™ VALUE.

**Magnum™ Air Filter**

## **What is REAL Value?**

REAL Value is not worrying about your filter – even in the most extreme environments. REAL Value is saving time and money with longer service intervals and engine life.

Fleetguard® Magnum Air Filters provide:

- Better airflow for maximum engine life
- Greater capacity and durability for longer service intervals
- Road tested for over 20 years
- OEM approved

If you are ready for an air filter with the best value in today's market...

**Get REAL. Get Fleetguard.  
Filtration for the REAL World.**
